

Self-employed pottery tutor required for ceramics classes at a freelance basis, for courses and/or private pottery parties at Artspace g41. We offer a range of classes for all ages.

We are looking for a tutor to run to a set format. We train you and show you exactly how to manage the class. The pottery sessions are 3 to 3.5 hours long. We have an organised rota system whereby you can set your availability up to a month in advance and we allocate shifts accordingly. Many of our workshops are in the evening so being able to work weekdays and weekend evenings is a must. Setup and cleanup is included in the workshop time.

Key Areas of Responsibility

To work creatively with clay

Experience with hand building and the wheel

Experience with glazes

Maintaining program records such as attendance of the class

How to apply:

Please contact Artspace G41 at - contact@artspaceg41.org
